Examining Your Conscience

As we come to celebrate the Sacrament of Reconciliation, we examine our conscience to make sure we confess *all* our mortal sins. This is not a question of the quantity of our sins. Rather, the verbal confession of our sins serves as our external expression of the internal sorrow in our contrite hearts and our admittance that we need God's help to change.

To begin your examination of conscience, you should recollect how long it has been since your last confession. We offer two forms of an Examination of Conscience here.
